Existing is easy. Living is the real challenge. This is a story that delves into a lifestyle that many live, few escape and most choose to ignore. Michael grew up on the south side of Dallas, Texas, caught up in a world of crime, drugs, violence and abuse. Years later he would discover that his life, and everything he knew to be true, was all a lie. In this tell-all autobiography, follow alongside Michael to see where he has taken his life, not where his life has taken him. As you immerse yourself in his world, determine what, if anything, you would have done differently. In learning about him, perhaps you can even learn more about yourself.
