Mykal's return to Towbar's world is the 2nd volume in the Towbar's World Series. It is an action adventure story that takes Mykal Graves back to Towbar's world in order to rescue people who have disappeared and have been sent to that extremely dangerous and deadly place. Mykal Graves is 'made an offer he can't refuse' and is forced back to Towbar's world on a mission to specifically rescue certain people and to also bring home those who were left behind during the first trip to Towbar's world. To accomplish such an impossible task Mykal brings a small army of elite soldiers from around the world to pull off the greatest rescue ever. Mykal uses the army to help Towbar's people and the Dwarven people of the Finger Mountains who await the war to end all wars with the Sosos and their allies who will join them from around the world. Mykal and those with him must go behind enemy lines to rescue those who are lost and are suffering greatly at the hands of the cruel Sosos. Mykal's mission takes a strange turn that will take him on an extended journey where he will encounter strange creatures in deadly lands and find great treasurers of wonderful magic.
