Helping Those in Grief: A Guide to Help You Care for Others H. Norman Wright

Many pastors and lay counselors have had minimal training in clinical methods of grief counseling. *Helping Those in Grief* is a biblical, practical guide to pastoral counseling written by one of the most respected Christian therapists of our time. This book is the next step after Wright's best-selling *The New Guide to Crisis and Trauma Counseling*. Wright brings more than 40 years of clinical and classroom experience to this topic, and shares real-life dialogs from his private practice to demonstrate healthy, healing counseling sessions. Readers will learn how to counsel and coach both believers and non-believers who are grieving, how to walk alongside them and how to help them find the path to complete restoration.
