"The country of thousand lakes" is also a country of beautiful architecture and interior design: modern Finland is a traveler's secret, offering charming hotels, B&Bs, and restaurants tucked into sophisticated cities like Hanko and Helsinki-one of the art nouveau capitals of the world. Amid natural beauty, Finns live well, with their own unique style: this new Living In volume takes readers inside city homes built by Alvar Aalto and into the lake-country cottages decorated with touches of Marimekko and Toikka. Living In Finland also means enjoying culinary specialties like caviar served with crème fraîche, crayfish dishes, and more. This look into Finland's style speaks to travelers, to those interested in the heritage of contemporary design, and to Finnish-Americans who will rediscover their own traditions in this sumptuously-illustrated book.
