The book of Revelation is exciting! Yet, too many today think it to be boring and hard to understand! I think it is just the opposite. If you take the book from a literal perspective, the "unveiling" fits, and it creates a perfect panorama of man's final days. long with the text, I have created a practical application for our lives today. Revelation is relevant, and it permeates the reader with God's last word to mankind.....His Son Jesus Christ! The final invitation alone is worth the time spent to enjoy the "book."
