The Greatest Stories Ever Told: Metaphysical Interpretations of 70 of the best known Old Testament Allegories Neil A. Mence D.D.

The Parting of the Red Sea, Noah's Ark and the Flood, David and Goliath, Samson and Delilah, the Tower of Babel they're stories we all know only too well. But what lies behind them? Should they be taken at face-value or does each have an underlying message? I believe they do but such messages are relevant only when we can apply them to our daily experiences. Each day we have our own Red Sea to cross (a personal challenge), and each day we're called upon to knock down the Walls of Jericho (overcome something). It often feels that as we move further into the 21st century that life is becoming increasingly fast-paced where the desire for 'instant answers' is the norm. I believe that the insights given in this book provide a glimmer of hope and reassurance. Enjoy the journey.
