"A continuation of the AMA Flute 2000 method book. Includes color photographs and plenty of new exercises. Many of the pieces include simple piano parts, allowing younger students to play music together. The book deals with familiarizing the student with the first two registers and covers the top register up to G3. There is wide variety of repertoire covering the technical elements including favorites such as Papageno's Song, Allegretto from Dvorak (8th Symphony), Mozart Theme and Variations, Pink Panther, and Waltzing Matilda. Some of the pieces explore the jazz and pop genres as well."
