#### Nature Poetry: An International Anthology of Poems on the Natural World Z Poetry

In Z Publishing's fifth poetry anthology, twenty-five international poets come together to share their words on the natural world. With nearly 100 poems in total, the anthology can appeal to all who appreciate nature poetry, and may just introduce you to your new favorite poet. Having begun as a blog in the fall of 2015, Z Publishing, LLC is currently transitioning into book publishing. This transition is in response to the problem plaguing the publishing world: For writers, finding new readers can be tremendously difficult, and for readers, finding new, talented authors with whom they identify is like finding a needle in a haystack. With Z Publishing, no longer will anyone have to go about this process alone. By producing anthologies of multiple authors rather than single-author volumes, Z Publishing hopes to harbor a community of readers and writers, bringing all sides of the industry closer together.
