The pilgrim poems in this collection persuade the other poems and the readers to join them on a quest for personal meaning. All the while there is the feeling that the movement forward is really towards the place where it all began. *There's a Medical Name for This* is the second collection by Kerrin P. Sharpe, who completed the Victoria University Original Composition program taught by Bill Manhire in 1976 and published her first book, *Three Days in A Wishing Well*, to acclaim in 2012.
