Only the Road / Solo el Camino: Eight Decades of Cuban Poetry

Featuring the work of more than fifty poets writing across the last eight decades, *Only the Road / Solo el Camino* is the most complete bilingual anthology of Cuban poetry available to an English readership. It is distinguished by its stylistic breadth and the diversity of its contributors, who come from throughout Cuba and its diaspora and include luminaries, lesser-known voices, and several Afro-Cuban and LGBTQ poets. Nearly half of the poets in the collection are women. *Only the Road* paints a full and dynamic picture of modern Cuban life and poetry, highlighting their unique features and idiosyncrasies, the changes across generations, and the ebbs and flows between repression and freedom following the Revolution. Poet Margaret Randall, who translated each poem, contributes extensive biographical notes for each poet and a historical introduction to twentieth-century Cuban poetry.
