## **Best Places to Live in America: Facts, Stats & Tips** David H Dudley

This valuable book provides you with the critical information needed to make a smart relocation decision. Hundreds upon hundreds of research results examining data from well over a 1,000 different categories of various criteria are condensed into this user-friendly resource so that you and your family can find the very best place in which to live. Furthermore, this book is an investment that will provide you helpful information on how to best go about relocating, as well as steps for efficiently moving to your best 'fit' location -saving you lots of time and money. Part I -- How to Find the Best Place & Relocating with Ease This section shows you how to intelligently go about finding the best place that is truly ideal for you and your family. Also, included are checklist, tips, and professional advice from those in the industry on how to efficiently and successfully relocate to your selected location. Additionally, this section addresses the best approach for transitioning from one employer to another, as well as relocating a business. Part II - Cities & States Ranked According to YOUR Wants & Needs Part II examines cities, counties, and states from a multitude of perspectives; everything from cost of living, best places to retire, employment opportunities, tax structures, affordability, recreation, cultural opportunities, business friendliness, growth rates, bicycle & transportation resources, schools, home school regulations, vaccine laws, proximity to coal & nuclear power plants, natural disaster risks, survival/prepper concerns, allergy & asthma problems, air quality & air pollution, crime, commute issues, agricultural issues, happiness levels, plant hardiness zones, climate, population demographics, and MUCH more. Part III - Best Places to Live For Physical Disabilities (Including Help for Veterans & Caretakers) This section not only shows the best place to live for those with disabilities, but also provides a wealth of very helpful information about those locations so those with disabilities can achieve the best life possible. In addition, history, current statistics, trends, and an abundance of facts are provided about the various kinds of disabilities. Topics such as the best cities for wheelchairs, best locations for disability transportation assistance, and public transportation options are also covered. Furthermore, the best places for veterans and much information to help caretakers is provided. Many other topics to help those with disabilities are also included within this valuable section. Part IV - Best Places to Live for Autism, Intellectual Developmental Disabilities, and Mental/Cognitive Disabilities Where are the best places to live for those with autism or other cognitive disabilities? This section will answer that question by showing you which states provide the most assistance, opportunities, and resources. Factual reliable data is provided on each state, along with tables showing how states compare with each other in regards to funding and services. Included are important facts, statistics, resources, and much other useful information to best help those caring for those with intellectual disabilities. The author's daughter has autism and as a result he has invested nearly two decades investigating this topic. This valuable book is an excellent investment that will save you much time and money. It provides the essential information needed to find the best place (best match) for YOU to live in America.
