Hear, O Israel!

David Solway

Hear, O Israel! David Solway

This collection of essays is a follow up to the critically acclaimed, *The Big Lie: On Terror, Antisemitism and Identity*. The author brings his insights from a long career as a writer and cultural critic to navigate through the culture wars and geo-political minefields concerning the State of Israel. Drawing on historical, cultural and ideological analysis, he clarifies the role of anti-Semitism in the Left's betrayal of the only liberal democracy in the Middle East. He examines the hostility to Israel from diverse sectors such as nations, non-governmental organizations, unions, and academia - while he unveils the shoddy and sometimes antisemitic assumptions lying below the surface of such critics. Solway is one of the most literate defenders of Israel and a brave voice among an intellectual class complicit in half-truths and outright distortions concerning Israel's situation among the terrorists and Iranian proxies surrounding it. This is an extraordinarily well-written book.
