The Greek Achievement: The Foundation of the Western World Charles Freeman

Charles Freeman's The Greek Achievement traces the entire course of ancient Greek history across thousands of years--from the Mycenaean and Minoan civilizations of the Bronze Age through the Archaic, Classical, Hellenistic, and Roman periods. This brilliant account celebrates the incredible range of Greek achievement: the architectural marvels of the Athenian Acropolis; the birth of drama and the timeless tragedies of **Aeschylus**, **Euripides**, and **Sophocles**; **Homer's** epics; the philosophical revolutions of **Plato** and **Aristotle**; and the conquests of **Alexander the Great**. Lavishly illustrated with photographs and maps, **The Greek Achievement** paints a sweeping panorama of the ancient Greeks' world and provides a rich, contemporary overview of their enduring contribution to world civilization.
