## Knots and Straps

Mr. Stephens enjoys the curves and valleys of a woman's body - to say the least! Illustrating said ladies of some dimension and heft, he also likes to see them in decidedly uncomfortable positions. It's why we call it "fantasy art!" A popular erotic and pin-up artist, Vincent Stephens has been assembling a mighty tome of booty-centric artwork, as well as a legion of ardent admirers. When we saw his portfolio of pretty young things, we just HAD to add him to our list of erotic illustrators! Knots & Straps volume one is loaded with eye-popping cheesecake and B&D artwork calculated to have you turning each page with breathless anticipation. Big girls don't cry - but they DO look great all tied up!

### From reader reviews:

#### David Hogan:

Playing with family in a park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, subsequently why you don't try thing that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Knots and Straps, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.

#### Estelle Hicks:

You could spend your free time you just read this book this book. This Knots and Straps is simple to bring you can read it in the playground, in the beach, train and soon. If you did not get much space to bring the printed book, you can buy the e-book. It is make you simpler to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

#### Ian Louviere:

Book is one of source of knowledge. We can add our information from it. Not only for students and also native or citizen want book to know the up-date information of year to be able to year. As we know those books have many advantages. Beside all of us add our knowledge, can also bring us to around the world. By the book Knots and Straps we can have more advantage. Don't one to be creative people? Being creative person must choose to read a book. Just simply choose the best book that ideal with your aim. Don't always be doubt to change your life by this book Knots and Straps. You can more attractive than now.

#### Sharon Clayton:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is created or printed or descriptive from each source which filled update of news. Within this modern era like now, many ways to get information are available for a person. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just searching for the Knots and Straps when you needed it?
