Romania's Tortured Road Toward Modernity (EEM)

Thomas J. Keil

Romania's Tortured Road Toward Modernity (EEM) Thomas J. Keil

This book addresses the form and nature of the transition Romania has undergone since the fall of the Ceausescu regime in 1989. The reconstruction of Romania has taken place not only within the context of the legacy of state socialism, but within an even greater context of general historical, political social and economic legacies. Some of the problems Romania has encountered during this progression are its system of social stratification, economic development and the struggle to create a solid national identity.
