A real man. Faithful woman. A lonely child. And a God who answers! Five years ago, on Christmas Eve, Collin Watson lost his two-year-old son when his ex-wife, who was a junkie, took the boy and disappeared. He despairs of ever finding his son but never stops praying for the boy to be safe wherever he is. This year he is praying for a Christmas miracle. Mabel Green is an Elementary School teacher and she doesn't know why she is drawn to the seven year old boy who just joined her class at the beginning of the year. She is single and longs to find a man who will love her deeply, and she prays that this Christmas she won't be alone. Taylor Brown has known a lot of pain in his short life and his only respite comes from his teacher, who cares about him, ensuring that he eats at least one good meal a day. He longs to find a good family who will take him in so he can have a wonderful Christmas this year. Three yearning hearts brought together by the magic and love of Christmas.
