Avant-Garde: Awakening (Volume 1) C K Stang

Dear Future Orphan and owner of this bed, What is it that compels us...that motivates the meaning of our existence? These questions have lingered in the dark forgotten parts of our minds for as long as we have understood one unflinching notion. It's the statement that we all make at the very moment of our birth. Our first cry is one not only of defiance but also one that stakes our claim...that we are alive and that we exist. For me, the question of my existence has never been something I struggled with. Rather it was the source of my existence, the proverbial who and where I came from that left me awake at night since I was found on the steps of the church's orphanage. And now I'm running out of time. For so many youths; coming of age is something to look forward to but here on Titan's largest colony, New Horizon, turning eighteen and aging out is terrifying. But not nearly as terrifying as the unknown solar system that faces me beyond the protective dome of New Horizon. I have few choices ahead of me, and some of those choices will be made for me against my will. I guess what I'm trying to say is have hope. Even when the monsters of New Horizon try to snuff out all the light, find a way to hope. It was the only thing that kept me going in the bleakest of times and while things may seem daunting and overwhelming now just know that one of your own has at least made it beyond this dilapidated cesspool we call home. I hope you find this message when you need it most. It's a bit of a tradition to leave a letter in your bunk when you age out for future orphans. While we will probably never meet in person at least you will know that there is someone out there who at least shares the same fate as you. Here's to hope for the future. -John (The Runaway Titan) Former Resident of the First Church of the Stars' Orphanage New Horizon, Titan Avant-Garde: Awakening is the first installment of that three part series that follows the path of an orphan named John as he searched for the answers about his past. Along the way a greater mystery unfolds that has the potential to change everything we know. What happens when the people who have the answers you seek also have ulterior motives that can change the face of humanity and the solar system forever? This hard-hitting, action-packed, violent, space epic is sure to satisfy your suspenseful cravings and delivers a decisive plot that will compel you to continue reading till the very bitter end. C.K.Stang provides a unique and thrilling outlook on a possible future for humanity where we have accomplished so much, expanded so far and yet learned so little. From reader reviews:

Theodore Parish:

Now a day those who Living in the era wherever everything reachable by talk with the internet and the resources within it can be true or not involve people to be aware of each info they get. How people have to be smart in getting any information nowadays? Of course the correct answer is reading a book. Looking at a book can help persons out of this uncertainty Information particularly this Avant-Garde: Awakening (Volume 1) book since this book offers you rich details and knowledge. Of course the knowledge in this book hundred % guarantees there is no doubt in it everybody knows.

Lester Magno:

Reading a book tends to be new life style with this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Having book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only situation that share in the publications. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Avant-Garde: Awakening (Volume 1).

Franklin Richter:

Reading a book to become new life style in this yr; every people loves to study a book. When you examine a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, along with soon. The Avant-Garde: Awakening (Volume 1) will give you a new experience in examining a book.

Darryl Payton:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Avant-Garde: Awakening (Volume 1) can make you sense more interested to read.
