The first words you learn from a new language are the bad ones, I'll help you embrace that curiosity with **38 bad words from around the world!**

**Here's a collection of 38 swear words I drew from 33 languages and cultures, including my own.**

**Learn how to say:**

And learn some words that aren't easy to directly translate like:

The German word **backpfeifengesicht**. It means a face badly in need of a fist.

And the Amharic word **silbabot**. This literally translates to "you are the fatty layer on my warm milk" but it has the same application as calling someone a nuisance.

**What's Inside:**

- Printed Single-Sided Pages At 8.5x11
- single sided page includes design and the word definition, pronunciation, language, and country of origin for each word or phrase
- 3 test pages
- Easy, moderate, and complex designs. Some you can complete in one sitting and others you can come back to. Tired of mandalas? Don't have to patience to color in a bunch of tiny designs? I got you, the book features 38 varying designs that range in complexity so you can color some of these in one sitting and come back to others.

I'm all about equal opportunity insults so I curated this to only include words that can be used on anyone; nothing racist, homophobic, or misogynistic.
