*Prof. Ernest Joos*

## **Poetic Truth and Transvaluation in Nietzsche's Zarathustra: A Hermeneutic Study (American University Studies)** Prof. Ernest Joos

Heidegger wanted to take Nietzsche seriously as a thinker. But as a thinker or philosopher Nietzsche can be accused of inconsistency. Even his main objective - *the transvaluation all values* - may make no sense. This author wants to view Nietzsche as a poet. He opposes the universality of abstract truth to the *poetic truth* which is the incarnation of the absolute in the concrete and valid only as *meaning* in a particular context. A large part of the book is devoted to the application of this theory, hence the book is both a hermeneutic study and a practical guide for the interpretation of Nietzsche's controversial topics such as the Death of God, marriage, life and death, or - woman and the Superman (*Übermensch*). Part Three deals with Hermeneutics and Metaphysics, then with Heidegger, Nietzsche and Metaphysics.
