## **The Golden Menagerie** Temple St. Clair

With an artist's eye and explorer's heart, Temple St. Clair explores our relationship to animals through a lens of whimsy and discovery. St. Clair, winner of the 2016 GEM Award for Jewelry Design, celebrates rare gemstones and Florentine craftsmanship in each of the one-of-a-kind pieces that comprise her Haute Couture collection, illustrated through luminous photography and St. Clair's original watercolor paintings in *The Golden Menagerie*. From vibrantly jeweled Fantasy Birds earrings to a ring mounted with a falcon ready to take flight from the wearer's finger, this exclusive window into St. Clair's world brings her alchemical creations to life.
