A freighter by trade, he works closely with local shopkeeper, Victoria Adams, to transport the colony's goods to market. But it is more than profit that keeps him coming back. He's fallen hard for the shopkeeper and her son. Tori is brave, beautiful, and a savvy entrepreneur--the ideal partner not only for his business but for his life. Too bad she's under the impression that a man, any man, is the last thing *she* needs.

Despite Ben's consistent kindness, Tori continues to hold him at a distance. His towering height and muscular frame, while attractive, are also dangerous. And she's faced dangerous men in the past and vowed never again.

After Ben convinces Tori to partner with him in a new venture, delivering goods to area farms and ranches, he finally has a chance to woo her in earnest. But when an accident derails his plans, what once was a chance at love may be lost forever.
