The Nature of a Man: Through the Eyes of a Woman (Zane Presents) Sylvester Stephens

***The Nature of a Man* is a reflective perspective of Alicia Forrester, a woman who is desperately seeking the love she lost as a child. Despite her magnificent beauty, despite her success, her view of the woman in the mirror is one of disappointment, darkness and despair. Her lack of self-love and her efforts to find it through the heart of a man lead her down the dark path of promiscuity, betrayal and murder. She spends a lifetime battling the temptation of suicide. One day, the temptation becomes too great and she decides it is better to die in shame than to live in pain.**

She is found by her friends, characters from *The Office Girls* and *The Nature of a Woman*, and is rescued from herself. She makes several other suicidal attempts until she unwillingly confronts the source of pain that has haunted her throughout her life: her father. On his deathbed, he gives her the love she has sought, and at that moment the nature of a man is revealed. It is not from the reception from her father's love, nor her husband's love; it is through the acceptance of love for herself.
