The Renegade's Guide to Stopping Bullies: A Practical Guide for Parents Who Need Quick Solutions to Bullying James Gavsie

In this essential, compassionate, humorous and practical guide, author James Gavsie explains his original approach to handling bullying that is not like the run of the mill counseling and communication methods used in schools today that often fail to have any tangible results. His approach is based on verified experience, training students at his private academy for martial arts in Los Angeles and achieving desired results with long-lasting positive effects. We've seen it happen, you've had it happen to you and you know it's going to happen tomorrow. Bullying happens everywhere all the time. But it doesn't have to keep happening to you or people you care about. This book is meant to help you recognize what bullying is, deal with it and overcome it with a novel, time-tested approach that will transform the way you act, empowering you and your loved ones. It's written in a fun, personable, easy to read format that's also very different from existing anti-bullying books, offering you a proactive, compelling perspective and approach that both you and your kids can embrace and adopt quickly.
