***The Traveling Herding Teacher*** contains the teachings of Bob Vest, a herding dog trainer in high demand, who traveled endless miles and conducted hundreds of clinics and private lessons annually. Before Bob's passing in 2009, he traveled to Scotland to have his teachings put together as a collaboration with Kathleen Freeman Kelly. The result is a collection of herding concepts, philosophy, and instruction that represents his years of development and experience as a stockman, herding judge, and herding instructor. *The Traveling Herding Teacher* should provide an invaluable reference for anyone interested in herding, whether for use on the farm or ranch or in competitions, with many animals or a few, and with any breed of herding dog.

*"When you are working your dog, you have to believe that the dog can do it, that you can do it, and that you and your dog can do it together. If you will be persistent, keep your sights on your goals and believe in yourself and your dog, you will be able to accomplish many things."?-Bob Vest*
