Will we seek God's perfect will and enter into His ultimate intention for mankind? Or will we continue down the road of apostasy and deception? Who among us is willing to pay the price to go *Beyond Pentecost*? This is an important book as we approach the end of the world. We have much Bible prophecy concerning the end times, and the Holy Spirit's final desire for the church is that we go *Beyond Pentecost* and unite as a body, the body of Christ. We trust that the thoughts in this writing will be precious stepping stones in helping to bring many sons to glory as we covenant together to be followers of the living way and respond to God's call of the hour to come up higher. The writing of a substantial part of this presentation was done on March 5, 1964, and the words came under strange circumstances. I was in Texas in some meetings when a strange "malady" came over me, and for twenty-four hours I became desperately ill, except when I would write. As I began to listen to the voice of the Holy Spirit, the words of this writing rolled off the end of my pen under His direction. Even as the desperate illness would leave when I picked up the pen to write, so did the illness immediately and entirely leave when I finished the last paragraph.
