I can think of no higher aspiration for the Christian than to gain a thorough knowledge of truth FOR HIMSELF. In fact, this will be increasingly critical as we approach the time for Jesus Christ to return and take His people home. Which martyr has ever died for the beliefs of another? Which persecuted ever suffered for the beliefs of others? The answer to both questions is "not even one." Each person MUST know what he or she believes in order to be able to MAKE A STAND for truth. Jo Ann's book helps every critical thinking Christian student do JUST THAT! Thank you Jo Ann! May none of the "very elect" be deceived because they have not thoroughly and critically examined Bible truths, especially the truths of Salvation and Apocalyptic Prophecy! Bill Kerr South Carolina Why should we pursue knowledge? There are several benefits to learning more of a subject, mostly to bring awareness on the importance of the subject matter to our lives. The same depth of knowledge is needed for comprehending what God's intentions are for the last days of Earth, the Great Tribulation and whether or not the Rapture is part of His plan. Current events show that prophecies expressed in the Bible are being fulfilled, marking how close we are getting to the return of Jesus. Yet, to determine what God reveals in Scripture about biblical prophecy, especially Apocalyptic Prophecy, we may have more questions than answers. Author Jo Ann Hall knows this all too well, having spent the last twenty years studying and prayerfully pondering what God says about the Rapture and End-Times. A solution came forth from her effort, in the form of this new book, *Earth's Final Hours: Exposing the Rapture Myth*. Comprised of twenty-seven Bible study guides and lessons, the book will enable readers to grasp biblical truths that define prophetic projections for the last days of Earth. Jo Ann begins the study with a commentary on God's formation of His temple on Earth which represents His Holy temple in Heaven; thus, linking events in Heaven with events on Earth. This initial chapter opens the Bible lessons that seek to answer questions about Salvation, Jesus' ministry and significant truths revealed in the books of Daniel and Revelation. *Earth's Final Hours* is a book to prepare us to recognize the signs of Jesus' return and allow ourselves to be used by Jesus to help others find Him before it is too late.
