TIME-LIFE American Inventors: A History of Genius The Editors Of Time-Life

From Thomas Edison to Alexander Graham Bell to Benjamin Franklin to Henry Ford to the Wright Brothers, our country has been built upon a foundation of innovation. A melting pot of diversity, America harbors a collaborative spirit and inspires an exchange of ideas where what is developed by one inventor is adopted by others and pushed further, improved, and perfected, fusing different perspectives together as one.

In this all-new special edition from *TIME LIFE, American Inventors* chronicles those minds that transformed the worlds of Industry, Information, Home, Health, and Transportation and inspired generations to come. Learn more about the inventors that went down in history for their vision, dedication and perseverance in this celebration of American ingenuity. As automotive inventor and businessman Charles Kettering once put it, although “the world hates change, it is the only thing that has brought progress” and this nation is composed of a rich history of genius that continues to inspire progress each and every day.
