Unburning Alexandria Paul Levinson

Unburning Alexandria on "Sideways Through Time: 36 Novels about Time Travel" list by Booklist.

Mid-twenty-first century time traveler Sierra Waters, fresh from her mission to save Socrates from the hemlock, is determined to alter history yet again, by saving the ancient Library of Alexandria - where as many as 750,000 one-of-a-kind texts were lost, an event described by many as "one of the greatest intellectual catastrophes in history." Along the way she will encounter old friends such as William Henry Appleton the great 19th century American publisher and enemies like the enigmatic time travelling inventor Heron of Alexandria. And her quest will involve such other real historic personages as Hypatia, Cleopatra's sister Arsinoe, Ptolemy the astronomer, and St. Augustine - again placing her friends, her loved-ones, and herself in deadly jeopardy. In this sequel to *THE PLOT TO SAVE SOCRATES*, award winning author Paul Levinson offers another time-traveling adventure spanning millennia, full of surprising twists and turns, all the while attempting the seemingly impossible: *UNBURNING ALEXANDRIA*.
