Saving Faith David H.J. Gay

Saving faith! Why publish a booklet on saving faith? Isn't saving faith a basic truth at the heart of the Christian life? Yes, of course. And it is for that very reason that David Gay has gone into print on the subject. He contends that not a few contemporary preachers are failing to call for saving faith when, in fact, they think they are. Consequently, it is a fearful thought that their hearers might think they are exercising saving faith when they are not. They believe, yes, but not with saving faith. And since eternal consequences of life and death hang upon the issue, Gay has produced this small work. Clearly, the material it contains should be of vital interest to all who are concerned with the eternal salvation of sinners – both themselves and others.
