Genesis is a book of beginnings. It introduces us to several biblical themes, including God's authorship of life. In a world that blames the Creator for disasters and credits luck or karma for life's blessings, God's people need reminding that he is crafting a wondrous story of redemption and grace. Within Genesis, we are called to play the part of faithful children so that we might overcome this world and inherit the one to come. In God's story, we discover how to live out our own. *The Epic of God* will guide you passage-by-passage through the book of Genesis in hopes of deepening your trust in the God of Abraham, Isaac, and Jacob.
