Wounded Soldier: A Greater Purpose Jason Mills

One detrimental mistake we usually make is that we spend a lot of energy mourning over situations that are unredeemable. We dispense too much energy on "spilt milk" instead of cleaning up the mess we made and rebuilding our future from a changed perspective. Forward thinking is what gets us from a bad place into an enlightened state of thinking to a plan of action, to a new vision, to a new way of life. We have to get to the point where we get our heads out of the history books of our lives and begin to pick up the pieces and rebuild what's left.
