## Zero Sum Game (Russell's Attic) (Volume 1) SL Huang

Cas Russell is good at math. Scary good.

The vector calculus blazing through her head lets her smash through armed men twice her size and dodge every bullet in a gunfight. She can take any job for the right price and shoot anyone who gets in her way.

As far as she knows, she's the only person around with a superpower . . . but then Cas discovers someone with a power even more dangerous than her own. Someone who can reach directly into people's minds and twist their brains into Moebius strips. Someone intent on becoming the world's puppet master.

Someone who's already warped Cas's thoughts once before, with her none the wiser.

Cas should run. Going up against a psychic with a god complex isn't exactly a rational move, and saving the world from a power-hungry telepath isn't her responsibility. But she isn't about to let anyone get away with violating her brain -- and besides, she's got a small arsenal and some deadly mathematics on her side. There's only one problem . . .

She doesn't know which of her thoughts are her own anymore.

### From reader reviews:

#### **Bruce Zimmerman:**

Here thing why this kind of Zero Sum Game (Russell's Attic) (Volume 1) are different and dependable to be yours. First of all looking at a book is good but it depends in the content of the usb ports which is the content is as scrumptious as food or not. Zero Sum Game (Russell's Attic) (Volume 1) giving you information deeper and different ways, you can find any reserve out there but there is no book that similar with Zero Sum Game (Russell's Attic) (Volume 1). It gives you thrill reading through journey, its open up your eyes about the thing this happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park, café, or even in your means home by train. If you are having difficulties in bringing the paper book maybe the form of Zero Sum Game (Russell's Attic) (Volume 1) in e-book can be your substitute.

#### **Nancy Jones:**

This book untitled Zero Sum Game (Russell's Attic) (Volume 1) to be one of several books this best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit into it. You will easily to buy this book in the book retail store or you can order it by means of online. The publisher with this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Cell phone. So there is no reason to you to past this publication from your list.

#### **Janice Arias:**

Playing with family in a park, coming to see the marine world or hanging out with buddies is thing that usually you could have done when you have spare time, then why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Zero Sum Game (Russell's Attic) (Volume 1), it is possible to enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its named reading friends.

#### **Phillis Ries:**

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Zero Sum Game (Russell's Attic) (Volume 1) can make you truly feel more interested to read.
