Unlevel Playing Fields, 4th edition Randy Albelda, Robert Drago

Unlevel Playing Fields explores the persistence of labor-market inequality and discrimination against black people and women, by presenting two contrasting economic theories neoclassical and political economy and showing how each theory explains inequality in wages, employment levels, and the distribution of jobs. The thoroughly updated third edition features more than 50 years of employment trends and data. Each chapter includes discussion questions and suggestions for further reading. A thorough, accessible introduction to labor-market theory.
