## **Alchemist** Peter James

As chilling as Stephen King as credible as Michael Crichton - a gripping novel of terror and suspense Monty Bannerman's father is a leading genetic scientist, and Nobel Prize winner, whose company has just been taken over by what will soon be the world's biggest pharmaceutical giant. He had some misgivings about their company ethics - but ultimately, he needs their money, and they need his mind. Then a journalist comes to Monty's door, with a far-fetched story about the pharmaceutical company. She doesn't believe what she's being told for a moment - but within a few short weeks, events are making the apparently fantastic claims look horrifyingly like the truth. Behind the respectable facade of the multi-national company which calls itself the 'World's Most Caring Company' lies an outrage against the whole human race...
