For an African-American, the police department seemed to be an enemy; something to be feared not embraced. Brown's decision to join the ranks of New York's finest would be one of the toughest decisions he would ever have to make, a decision he would have to live with for the rest of his life. Tunnel Vision is an experience filled with excitement, chills and the unexpected. A journey on the subway of New York thru the eyes of a retired NYC Transit Police Officer. Never again will the everyday routine of commuting on the underground rails be taken for granted. The visions seen and now revealed will make even the most hardened veteran traveler of the subway look at the concrete and cold steel in a different manner. The visions that will be shared can only be seen in the underground beast that is the subway of New York. Come see if: "You got tunnel vision or what!"
